Kewal Kiran Clothing Limited is proudly, a 100% Indian owned apparel manufacturing and retailing company.

Established in 1981, Kewal Kiran Clothing is built on local knowledge and owns four of the finest apparel brands for the youth and the young-at-heart. Killer, Easies, Lawman, Integriti are four brands that evoke respect, pride and comfort from the consumers of the brand. Each of these brands' is worth its name in its value, reach and the vast cult of followers. All the brands have special western wear for young women too.

In 2004, Kewal Kiran Clothing, ventured into retailing and opened its first branded retail store K-Lounge in Mumbai, to showcase the entire Kewal Kiran product range under one roof.

In 2006, Kewal Kiran Clothing Limited, with a registered and corporate office in Mumbai, became a public company with the most successful IPO in the apparel sector.

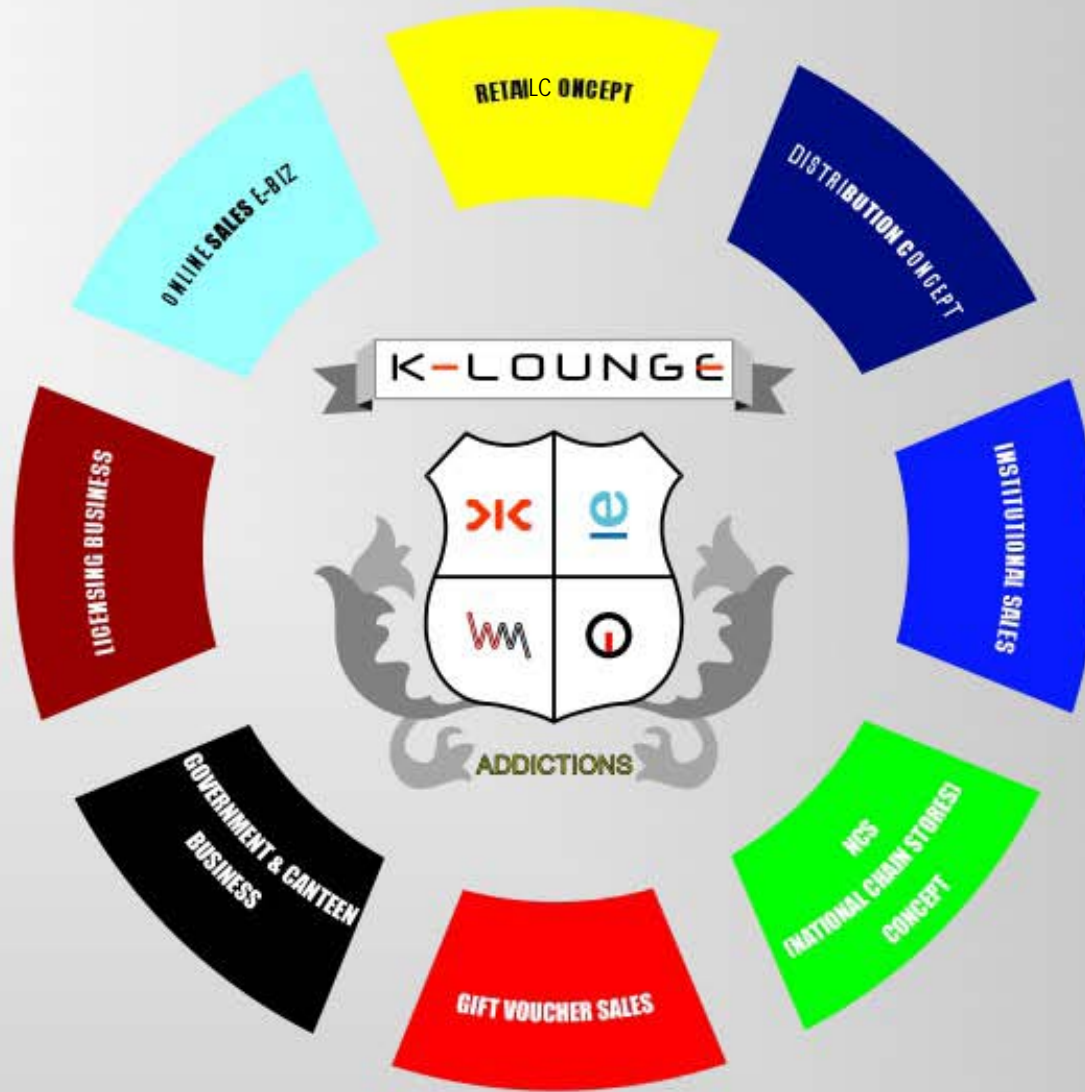

In 2011, an exclusive accessories store 'Addictions' was launched at Faridabad. Addictions retails the "head to heel" accessories range of the four apparel brands under 43 product categories including innerwear, eyewear, footwear, beach wear, footwear & personal care products.

Kewal Kiran Clothing Limited is founded on the good will of the consumers, suppliers, franchise partners and zeal of the employees.
